

2024 Mitchell Lucky Devils Adult Hockey Tournament Rules

- No Dual Rostering between A and C divisions (Considerations will be made for goalies skating out in one division and goaltending in the other division).
- Dual rostering will be allowed for the 35+ division as the age stipulation will keep that division on a more equal level. Proof of age will be required at registration for 35+.
- 3 penalty rule is in effect. Game DQ if 3 penalties are received.
- No Checking!!
- No Slap Shots - winding up definitively above the waist will result in a whistle and a faceoff in your defensive zone. No goal if a score happens on a whistled slap shot.
- Absolutely NO Fighting!! Game DQ for fighting and possibly Tournament depending on the case (determination by the Tournament Officials). Just don't fight!
- Penalties will be 3 mins during run time.
- 1 one-minute time out per team per game.
- **C Divisions** - will have the Hat Trick Rule: any one player can only score 3 goals per game; further goals will result in a penalty and the goal will not count.
- **35+ Division** – No hat trick rule as the age stipulation will keep this level more equal.
- **35+ Division** – Goaltenders will not have an age requirement.

Game Format

- 5-minute pregame warm up.
- 3 – 17-minute run time periods.
- 2-minute break between periods when the ice is not resurfaced.
- Resurface every 2 periods. Resurface intermission = 15 minutes
- If the score differential is within 2 goals, the last 5 minutes of the game will be stop time.
- If the games end in a tie, that's it. NO Overtime in Pool Play!
- If a playoff game ends in a tie there will be one 8 min, stop time, sudden death, overtime period played. If still tied after that = 5-man shootout. (**C Division - players with Hat Tricks in regulation play are not allowed to shoot in the shootout**)
 - If still tied after 5 shooters, continue shootout alternating different players until a winner is decided. (Every player on a team must shoot once before a player can shoot a second time, if you have gone through your whole team and there is no winner, you can choose whoever you want from your bench to shoot at in any order after that.)
